# MEDIC BACK TRAINER

Back trainers have been a mainstay in fitness clubs for strengthening the lower back, glutes, hamstrings and abdominals for years. The Medic Back Trainer is the perfect rehabilitation for those suffering from lower back pain. It provides the best opportunity to perform the proper form necessary to strength key muscles of the spine, like multifidus.

- Sturdy powder coated KETTLER® designed ergonomically formed tubing frame
- Easy incline adjustments for changing exercise complexity through 6 different levels of difficulty
- Height adjustable pelvic pad and telescoping footplate offer optimal comfort for any size user
- Folds for easy storage
- Ideal for various levels of users. From the beginner to the advanced user.
- Assembled dimensions: 51 x 28 x 43
- 3 Year Residential Parts warranty / Lifetime Frame warranty
